

# Pizza Lunch Volunteers Needed!

The pizza lunch program is a major fundraiser for *Friends of WHMS* and is completely run by volunteers. Volunteers are needed each week to prepare fruit, and distribute cookies, juice, pizza, and supplies to the classrooms. Volunteers work under the direction of a seasoned "pizza supervisor." The shift lasts from about 10:30 a.m. to 12 p.m.

The children are delighted when they see their parent or friend delivering the pizza lunch to their class. Most parents enjoy the welcome of the children and interacting with other parents whom they may not see often. We hope you can join us in this fun and worthwhile activity.

Please circle the days on which you are available. The pizza schedule is set well in advance. We will try to accommodate everyone, but ask that you remain as flexible as possible as we have many volunteers for this program. All days are Fridays unless marked otherwise.
